WAREHOUSE

Russeifa, Zarqa — Jordan

WHY BROTHERS TRADING

Jordan's Print Industry Relies on Us

From small shops in Russeifa to large presses across the Kingdom — we keep your machines running. Brothers Trading Est. is Jordan's most trusted & best-known name in printing machinery: new and used Heidelberg press sales, plus 10,000+ genuine spare parts sourced internationally from China and Europe (Germany / Heidelberg), delivered nationwide.

**10,000+ Part Numbers****ALL MAJOR BRANDS**

Grippers, rollers, bearings, circuit boards, ink systems, blankets, pumps — 40+ machine series.

**International Sourcing****CHINA & EUROPE**

We import directly from certified manufacturers across China and Europe, including Germany — Heidelberg's home market — no middlemen.

**New & Used Heidelberg Presses****MACHINE SALES**

Beyond parts — we sell fully-inspected new and used printing machines, with Heidelberg presses as our specialty.

**Jordan-Wide Delivery****NATIONWIDE**

Every governorate — Amman, Zarqa, Irbid, Aqaba, Mafrq and beyond. Fast shipping straight to your door.

**20+ Years of Expertise****SINCE 1995**

We identify the right part from a model number, machine spec, or a photo. Send us what you have — we'll find it.

**Best Price in Jordan****VALUE**

Direct volume imports beat local market rates consistently. Ask for a quote — we'll match or beat any price in Jordan.

MACHINE SALES

New & Used Printing Machines

Heidelberg is our specialty. From compact GTO and SM52 presses to full Speedmaster lines, we source, inspect and deliver new and used presses across Jordan — backed by the same trust as our parts business.

**GTO 46 / 52****NEW & USED**

Compact single & two-colour presses — ideal for small shops and quick-turn jobs.

**Speedmaster SM52****NEW & USED**

Versatile small-format multicolour press for commercial print shops.

**Speedmaster SM74****NEW & USED**

Mid-format 4/5-colour workhorse built for high-volume commercial runs.

**SM102 / CD102****NEW & USED**

Large-format sheetfed presses built for high-capacity production.

**Speedmaster XL****NEW & USED**

Heidelberg's flagship line — available in select new and used configurations.

**Other Brands****ON REQUEST**

Roland, Komori, Ryobi and more — ask us about current availability.

Looking for a press? Tell us your shop's format, budget and print volume via WhatsApp or call +962 79 997 3003 / +962 79 515 5562 — we'll help you find the right new or used machine.
